Vintage Conditions

Vintage 2019 was a challenge for us all in the Adelaide Hills. Lucky for us though, fruit quality remained high even though yields were down. It was also a quick vintage, with all grapes off the vine within 3.5 weeks, in early March. This meant we could spend more time in the winery working on the finished product of what would go into the bottle.

Winemaking

Picked in the cool of the morning and open top fermented. Hand plunged 3-4 times a day to extract rich color and a complex mid-palate. Matured for 13 months in a combination of lightly toasted French and American barriques.
